Subject: Candidates Delegates Course – Declaration on Criminal Record

Dear friend;

We would like to thank you for your interest in applying to the European Handball Federation's upcoming Candidate Delegates Course.

After recent consideration of application requirements, the EHF has decided that further documentation will be required to formally consider applications, namely a Statement that the candidate is exempt from a Criminal Record i.e. his/hers Criminal Record is empty of any known convictions or Sports Law-related crimes.

Kindly find attached a Statement template, which should be signed and returned to the EHF upon submitting your application.

You are therefore kindly invited to provide the EHF with the enclosed Statement, filled in as instructed and duly signed as herein described. The statement shall be submitted in the respective portal together with the rest of your application requirements.

Submitted documents that do not meet the aforementioned criteria or that have not been filled as instructed shall not be accepted to apply to the herein-referred Delegates' Course.

We thank you very much in advance for your cooperation and send you our best regards.
