

Attn.: Marinko Umicevic, Chairman HFRS

Dear Mr Umicevic,

The European Handball Federation received your communication regarding two issues arising out of the field of activities of the Handball Federation of Bosnia Hercegovina.

As you may understand, the EHF is not in the position on a sport-political level to communicate with parts of Federations, although we understand that the situation in BIH is very complex since the beginning.

In case you want to launch a formal complaint within the given system, you may address the European Handball Court of Arbitration (ECA), an independent system dealing with handball topics. The ECA Council will then decide about the admission of a case.

However, in order to not to convey the feeling that we are ignoring your input, I may inform you that - upon the request of the leadership of the BIH - a meeting is envisaged where among general topics, we will also address competition issues. In order to make the Federation aware your approach, a copy of your letter was sent as an attachment to the Federation.

We kindly ask you to take note.

Yours sincerely,

European Handball Federation

Poštovani gospodine Umičeviću,

Evropska rukometna federacija je primila Vaš dopis u vezi sa dva pitanja koja se odnose na aktivnosti Rukometnog saveza Bosne i Hercegovine.

Kao što razumijete, EHF nije u mogućnosti da na sportsko-političkom nivou komunicira sa dijelovima saveza, iako razumijemo da je situacija u BiH veoma kompleksna od samog početka.

Ukoliko želite da podnesete formalnu žalbu , možete se obratiti Evropskom sudu za arbitražu u rukometu (ECA), nezavisnom sistemu koji se bavi rukometnim temama. Savjet ECA će tada odlučiti o prijemu slučaja.

Međutim, kako ne bismo ostavili utisak da ignorišemo Vaš dopis, želimo da Vas obavijestimo da je na zahtjev rukovodstva BiH planiran sastanak na kojem ćemo, pored opštih tema, takođe razgovarati o pitanjima takmičenja. Kako bismo obavijestili Savez o Vašem pristupu, Vaše pismo je prosleđeno kao prilog Savezu.

Molimo Vas da ovo imate u vidu.

Srdačan pozdrav,

Evropska rukometna federacija
